

"I go to nature every day for inspiration in the day's work."
Frank Lloyd Wright

SUSTAINABILITY ALIGNMENT

Over the years, we have aligned ourselves with manufacturers proven to have a philosophy of excellence. Our business relationships have focused on key attributes including durability, product reliability, responsiveness, and sustainable manufacturing practices.

As a result, our core offering of outdoor furniture, shade, solar, and lighting products comprise one of the most comprehensive collections of reliable products in the commercial outdoor furniture market.

CRIDER CONTRACT INTERIORS

Green Products for Green Spaces

MISSION

Crider Contract Interiors is committed to partnering with leading manufacturers with responsible product manufacturing, material use & low waste practices. Our leading products will enhance any outdoor space where staff, students and guests engage.

SUSTAINABILITY

OFF-GRID SOLAR PRODUCTS

Enhance any area where community members congregate.

- Reliable Solar Charging Tables – Support staff, students & guests with power connections for phones, tablets & laptops.
- Line walkways, paths, and patios with solar LED lighting.
- Fast installation and minimal maintenance required.

RECYCLED/RECYCLABLE PRODUCT MATERIALS

Steel, aluminum, and green fabrics are the materials used in our outdoor furniture collection.

- Lounge Furniture
- Food Service Patio Tables & Chairs
- Executive Entertainment Balconies
- Meeting & Classroom Space
- Waste and Recycling Receptacles
- Shade Structures & Umbrellas
- Standard & Premium Site Furniture

ACCESS TO GREEN SPACE AND FRESH AIR

Confidently provide a range of settings throughout your property or campus. Outdoor destinations provide important options to traditional indoor work, meeting, lounge, and dining spaces.
